Pediatric Dental Specialists Exclusive Dental Membership Plan

In an effort to help families in our community maintain optimal dental health, Pediatric Dental Specialists has created a way for those without dental insurance to receive exceptional dental care in our office. We recognize that obtaining dental care for your family without group insurance can be intimidating. We wanted to remove this barrier by offering to our new and existing patients a **Dental Membership Plan**. Enrollment in our exclusive membership allows a significant savings to you while providing optimal dental care for your children. This is not an insurance policy, but rather a plan entitling the recipient to discounts off our standard office fees. Membership is easy and there are no waiting periods, no annual limits, no deductibles, and no insurance hassles.

Annual membership entitles each child to receive the following care:

2 Examinations performed by a dentist (includes new patient exam, semi-annual exam)

2 Professional dental cleanings by a licensed Registered Dental Hygienist

2 Oral cancer screenings

2 Fluoride varnish applications

Any necessary radiographs as determined by growth and development, risk factors, and history

Oral hygiene instructions and cavity prevention tips
